The Extras We Offer.

Employee Benefits

We believe in looking after our staff by offering a range of employee benefits above and beyond the employer statutory obligations.

We are proud to be listed as a 'Best Places to Work in Property' company and we continually benchmark and improve our initiatives due to our membership of the Greater Manchester Good Employment Charter.

The benefits range from health and wellbeing, retail discounts to recognising employees with long service. A summary of the benefits can be found in this booklet.
